Multi-Use Paths on Mount Desert Island

Identifier: 2391

Type: Map

Title: Multi-Use Paths on Mount Desert Island

Subject: Places

Description: Nynke's project included conversations with community members
and leaders, fieldwork to find abandoned paths, designs of multi-use
paths, and map-making in GIS. This project flowed out of an earlier
class focused on Active Transportation (Bicycle and Pedestrian) in
Bar Harbor in the Spring of 2022. However, this project is not
supposed to be about me; I am far from a neutral player that
collected information to revitalize Active Transportation advocacy on
MDI.
