Title: A Human Ecology Film, November 11, 2020

Subject: Events

Description: "This piece is a commentary on the many different and shifting facets of our life in 2020. In short, we try to create this commentary by juxtaposing all the things that are happening at this moment in time. To do this weve overlaid videos that weve taken around College of the Atlantic campus and Acadia with found footage, poetry we wrote, and piano improvised for this specific video." -Isaiah Osborn
